

SCHIZOPHRENIA SOCIETY OF SASKATCHEWAN INC.

REGINA, SASKATCHEWAN

**CONSOLIDATED FINANCIAL STATEMENTS
AS AT MARCH 31, 2014**

**MANAGEMENT'S RESPONSIBILITY FOR
FINANCIAL STATEMENTS**

The accompanying consolidated financial statements of **Schizophrenia Society of Saskatchewan Inc.** have been prepared by the Society's management in accordance with Canadian accounting standards for not-for-profit organizations and necessarily include some amounts based on informed judgement and management estimates.

To assist management in fulfilling its responsibilities, a system of internal controls has been established to provide reasonable assurance that the financial statements are accurate and reliable and that assets are safeguarded.

The board of directors has reviewed and approved these financial statements.

These financial statements have been examined by the independent auditors, **Virtus Group LLP**, and their report is presented separately.

Executive Director

President

INDEPENDENT AUDITORS' REPORT

To the Members

Schizophrenia Society of Saskatchewan Inc.

We have audited the accompanying consolidated financial statements of **Schizophrenia Society of Saskatchewan Inc.** which comprise the consolidated statement of financial position as at March 31, 2014, and the statements of operations, changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those assessments, the auditor considers internal control relevant to the Society's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the Society derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Society and we were not able to determine whether any adjustments might be necessary to donation revenue, excess of revenue over expenses, current assets or fund balances.

Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the Society as at March 31, 2014 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

SCHIZOPHRENIA SOCIETY OF SASKATCHEWAN INC.
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2014
(with comparative figures for the year ended March 31, 2013)

1. Purpose of the organization

The Society was incorporated in the Province of Saskatchewan under the *Non-Profit Corporations Act* without share capital. The purpose of the Society is to provide education and encourage research into schizophrenia and provide help for individuals and family members who are afflicted with schizophrenia. The Society is exempt from taxation under section 149(1)(f) of the *Income Tax Act*.

2. Summary of significant accounting policies

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations which required management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the period in which they become known. The financial statements reflect the following policies:

Basis of consolidation

These financial statements include the activities of Schizophrenia Society Saskatchewan, and the Regina and Saskatoon chapters. All other local Saskatchewan chapters are independent of the Society and therefore, those financial activities are not reflected in these financial statements.

Fund accounting

The Society follows the restricted fund method of accounting.

The Operating Fund accounts for the Society's administration activities and certain program delivery. It reports unrestricted resources and certain restricted operating grants. Transfers from this fund are made at the direction of the Board of Directors.

The Reserve Fund segregates invested resources arising from prior surplus revenues.

Equipment

Equipment assets are expensed in the year purchased.

Revenue recognition

Unrestricted contributions are recognized as revenue in the the appropriate fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Restricted contributions, for which no separate fund exists, are deferred until the year that the related restrictions are fulfilled, at which time they are recognized as revenue.

Contributed services

Volunteers contribute many hours each year to assist the Society in carrying out its delivery activities. These contributions are not recognized in the financial statements as the fair value of these donated services are not reasonably determinable.

SCHIZOPHRENIA SOCIETY OF SASKATCHEWAN INC.
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2014
(with comparative figures for the year ended March 31, 2013)

2. Significant accounting policies (continued)

Financial instruments - recognition and measurement

Financial assets and financial liabilities are recorded on the statement of financial position when the Society becomes party to the contractual provisions of the financial instrument. All financial instruments are required to be recognized at fair value upon initial recognition, except for certain related party transactions. Measurement in subsequent periods of equity instruments is at fair value. All other financial assets and financial liabilities are subsequently measured at amortized cost adjusted by transaction costs, which are amortized over the expected life of the instrument.

Fair value is the amount at which a financial instrument could be exchanged at arm's length between willing, unrelated parties in an open market. Changes in fair values of financial assets and financial liabilities measured at fair value are recognized in excess of revenues over expenses.

When there is an indication of impairment and such impairment is determined to have occurred, the carrying amount of financial assets measured at amortized cost is reduced to the greater of the discounted cash flows expected or the proceeds that could be realized from sale of the financial asset. Such impairments can be subsequently reversed if the value improves.

3. Investments

	<u>2014</u>	<u>2013</u>
Investments measured at fair value:		
CI Canadian Dividend Fund	\$ 7,633	\$ 6,424
Investco Intactive Balanced Income Fund	-	18,351
Mackenzie Sentinel Income Fund	46,085	43,379
Manulife Financial Corporation common stocks	31,980	22,440
	<u>85,698</u>	<u>90,594</u>
Investments measured at cost:		
Corporate Bonds	120,990	120,990
Term Deposits	29,364	49,287
Canada Savings Bonds	28,000	28,000
	<u>178,354</u>	<u>198,277</u>
	<u>\$ 264,052</u>	<u>\$ 288,871</u>

At March 31, 2014, the market value of investments measured at cost is \$189,696 (2013 - \$211,381).

4. Donation and membership revenues

	<u>2014</u>	<u>2013</u>
Donations	\$ 64,403	\$ 46,040
Memberships	1,138	2,153
	<u>\$ 65,541</u>	<u>\$ 48,193</u>

FOR THE YEAR ENDED MARCH 31, 2014
(with comparative figures for the year ended March 31, 2013)

5. Financial risk management

The Society has a risk management framework to monitor, evaluate and manage the principal risks assumed with financial instruments. The significant financial risks to which the Society is exposed are:

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Society's exposure to liquidity risk is dependent on the receipt of funds from its operations, donations, and grants. Funds from these sources are primarily used to finance working capital and are considered adequate to meet the Society's financial obligations.

Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Society's investments in publicly traded securities expose the Society to market price risk as such investments are subject to price changes in the open market. The Society does not use any derivative financial instruments to alter the effects of this risk.

6. Economic dependence

Approximately 53% (60% in 2013) of the Society's revenues are derived from the Province of Saskatchewan. As a result, the Society is dependent upon the continuance of these grants to maintain operations at their current level.

7. Comparative figures

Certain comparative figures have been reclassified to conform with the presentation in the current year.
