A local **CELEBRITY** is paired with a **SINGING STAR** to entertain the audience with an inspired duet. As the six duos compete, the audience shows support for their favourites by purchasing votes on an app for that purpose. This friendly competition results in a presentation to the winners.

Sponsor this elegant evening of unique entertainment in support of mental health.

All funds raised at this event will benefit all the city of Saskatoon and area residents as they will continue to have access to the Schizophrenia Society's mental health resources and activities through our Saskatoon office.

Persons living with a mental health diagnosis will be able to take part in social, cultural, and recreational activities at no cost resulting in a sense of belonging to the community and reducing isolation. Families and loved ones of those living with a mental health diagnosis would benefit from the support provided by our staff and the Family Recovery Journey program.

Our Partnership Program mental health anti stigma message was delivered to schools, businesses, and the overall community 166 times to 4919 people last year. With the funds generated through this event our Partnership Program will continue to deliver these important messages
